Subject –Activity Report on ‘Save The Girl Child’.

Respected sir,

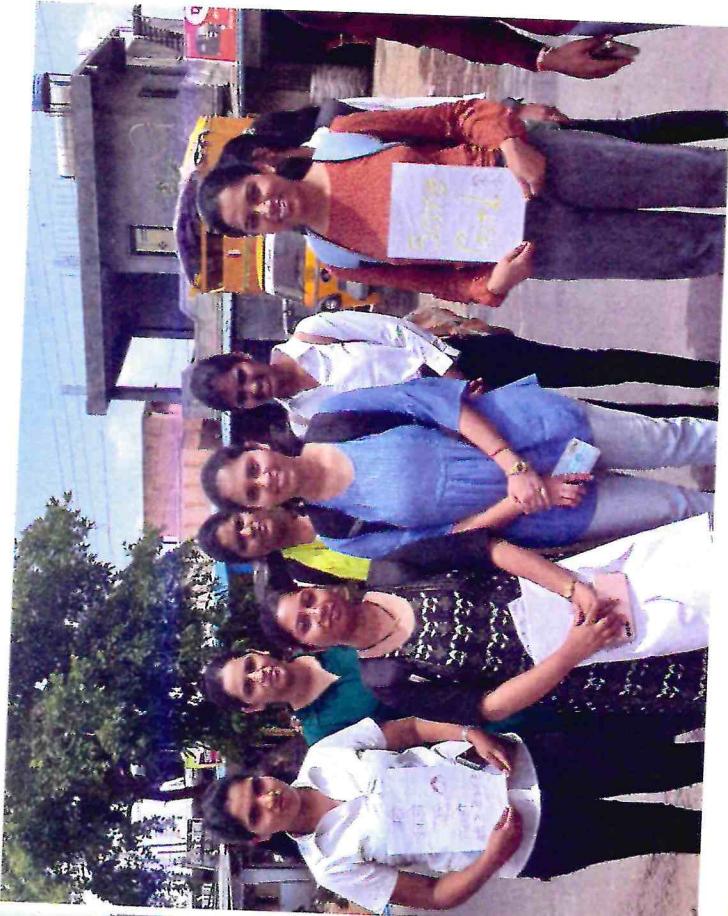

To create awareness among people about the importance of girl child. We took out a rally from our institute on 7th April 2019. Around 38 students participated in this. The main objective of this rally was to discourage people from female feticide. There was great enthusiasm among faculty members and students during the rally.

There were banners and placards with messages such as Beti Bachao-Beti Padhao, Save the Girl Child-Educate Girl, and Girls are the pride of the country, if girls live, Earth will survive. The rally started from Masur.

People took to the streets and applauded.

Subject: - Activity report on the “World Water Day Celebration”.

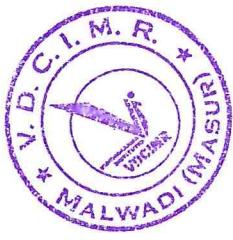

Respected Sir/ Madam,

VDCIMR MASUR MALWADI, 22nd March, 2019: Every year we celebrate the ‘World Water Day’. This year also we have dedicated this day to water. Our institute celebrated the day with utmost sincerity. Water is the most precious resource for survival. But nowadays, the scarcity of water is really a threat to the whole world.

On World Water Day, children went to the mountains and filled water tanks . This year our institute selected the theme ‘Do not waste Water’. First the programme started with an opening song sung by the students. And faculty members delivered valuable speeches on the importance of water and the scarcity of water.

Thanking you

Subject: - “Report on organizing Dental checkup Camp”

Respected sir/Madam

A free dental check-up camp was organized on 7th April 2018 under the guidance of Dr. Suraj Tribhuvan in association with Sri Kripa Dental Clinic, Masur. This included a dental awareness talk at a camp for villagers in Masur area by students from our institute, with the main aim of educating students and villagers about common dental diseases — with particular emphasis on tooth decay and gum disease — and the measures used to prevent them. Students were made aware of eating patterns and food choices that can lead to tooth decay. The young students had the opportunity to interact with the dentist and gain information about their oral health and how to maintain good oral hygiene.

The staff and students of the college thanked the dentists and para-medical staff for their selfless service to the college. patterns and food choices which can lead to tooth decay. The young students cherished the chance to interact with the dentists to enquire and gain knowledge about their oral health and maintaining good oral hygiene.

The college staff and students thanked the dentists and para-medical staff for rendering their selfless service to the college.

Thanking you

Subject :- Activity Report on the seminar on the topic “Road safety”

Respected sir,

On 10 October 2019, a session on Road Safety Awareness was organized in our institution as a part of Road Safety Week. RTO Inspector Mr Tejas 'Dol gave the seminar.

Mr Tejas' Dol said in his session, “Road awareness is very important for your safety and the safety of others”. He discussed the statistics of various types of road accidents in Maharashtra and explained the causes of these accidents. He further gave examples of various types of traffic violations and the penalties associated with them.

The session was very interactive with students and faculty. At the end of the session Prof. S.D. Chavan thanked Mr 'Dol
